

The treatment of many thousands of cases of these chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in wisely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outcome, of result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it supports strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing, cordial and restorative tonic.

As a soothing and strengthening nerve tonic, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects under any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppressions, prolapse, or falling of the womb, weak back, "female catarrhs," anasarca, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of womanhood to womanhood, "Favorite Prescription" is a perfectly safe remedy, producing only good results. It is of great value in its effects upon those disorders and derangements which occur later and most critical period, known as the Change of Life.

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Pure Laxative (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood impurities, and eradicates cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee from the manufacturers, that it will give a physician in every case, or money will be refunded. This guarantee has been printed on the bottle wrapper, and faithfully carried out for many years.

Large Bottles (16 doses) \$1.00, or Six Bottles for \$5.00. For larger, illustrated Treatise on Diseases of Women (100 pages, paper-covered), send ten cents in stamps. Address:

the CUTICURA REMEDIES.

My skin disease, which resisted sev-
eral popular remedies and other re-

cured by your CUTICURA REMEDIES.
They surpassed my most sanguine ex-
pectations and rapidly effected a cure.
